HOW WOMEN CAN BUST THROUGH THE GLASS CEILING AND BUILD A PURPOSE DRIVEN CAREER

HOW LEANING INTO LOVE RESHAPED MY BUSINESS INTO 7-FIGURES

HOW LIVING IN A MASCULINE STANCE FOR MY CAREER ALMOST KILLED ME

HOW TO IDENTIFY AND LEVERAGE YOUR UNIQUE ZONE OF GENIUS

## About Me

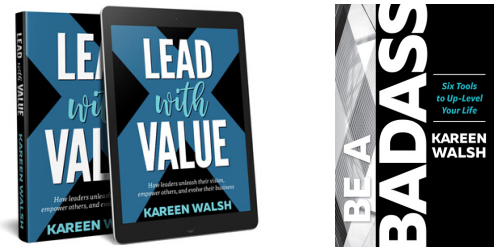

**Start Up Adviser. Serial Entrepreneur. Executive Coach. Author. Podcaster.**

CEO of Revampologist with 17+ Years entrepreneurial and executive experience leading and advising industry leaders in companies of all sizes. Clients include trillion dollar companies like BlackRock to Start Up Companies getting ready to launch and scale their business.

I approach each business with a lens on People, Process, and Technology and hyper focus on Leadership to move the needle. I believe if you are not growing, your business won't grow. When you focus on business growth mastery, you create unstoppable momentum in how you extend your reach and impact your clients.

As a seasoned coach/mentor/and start up adviser, I love helping people align with their core values that allow them to thrive in the life they design, leverage lessons learned, and build habits that keep them in action daily.
